# THE HEART OF THE TOY RUN: COMFORT IN A CUDDLE

**WHERE RUBBER MEETS THE ROAD AND LOVE MEETS THE CHILD**

Every year, across South Africa, the roar of thousands of motorcycles signals the arrival of one of the country's most significant acts of collective kindness: the annual Toy Run.

For many in the biking community, it's more than just a ride—it's a pilgrimage to deliver joy, hope, and, most importantly, a moment of comfort to children who need it most.

For the past few years, Williams Hunts PE very own Benji has been a passionate driving force behind this initiative, focusing on a deeply personal mission: The Teddy Bear Project.

While the Toy Run collects a wide variety of donations, Benji's specific focus is on ensuring that the simplest, most essential comfort—a soft teddy bear—lands squarely in the arms of a needy child.

"There is nothing quite like seeing a child's face light up when they receive a toy, especially one they can hold and cuddle," says Benji. "It's about providing a source of stability and warmth that they can keep long after the bikers ride home."

A community effort like this relies on dedicated partners, and we would like to extend our deepest gratitude to a team whose commitment never wavers: Williams Hunt PE Used Vehicles.

The Williams Hunt PE Used Vehicles dealership consistently goes above and beyond, year after year, offering invaluable assistance—whether it's serving as a central collection point, supporting fundraising efforts, or simply providing the muscle needed to prepare and transport the overwhelming volume of toys. ## REEDS N1 CITY JOINS WAROBILE'S MISSION TO SAVE LIVES AND BUILD FUTURES

REEDS N1 City has been involved with Warobile Lifesaving & Aquatics Academy. The Academy was originally borne from a very sad story that they have tried to turn around into adding meaning and positivity into the local community.

The Academy was established in 2013, following the deaths of two 16-year-old teenagers from Zeerust in the Northwest Province, who had drowned at Camps Bay while on holiday.

Waroona Senosi and Qarabile Motswire were learners from Dithupe Intermediate School enjoying a day on the beach with their peers when they were suddenly caught in a rip tide.

They would never be seen again, and their bodies were never recovered. This tragedy had a tremendous impact on many people including one of the City's then top Law Enforcement officials, Inspector Keith Abrahams, a veteran lifeguard trainer and water-safety expert with 30 years' experience. In honour of the two boys, Abrahams started an NPO to address drownings in the Western Cape. The names of the deceased pupils, Waroona and Qarabile were combined to form "WAROBILE", a Learn-to-Swim and Lifeguard Training Academy based at Holy Cross High School, Cape Town.

With the eminent summer and school holidays Warobile Lifesaving & Aquatics Academy as always will be working tirelessly to keep children off the streets while teaching them vital water safety tips as well as life skills.

There is a far bigger plan than just to upskill the youngsters in swimming skills and certain life-skills - this is Phase 1 of 4 Phases whereby the dream is to get them upskilled through:

- > Phase 1: Pool Lifesaving
- > Phase 2: Surf / Sea Lifesaving
- > Phase 3: The Build-up to the main event: Warobile swim prelim
- > Phase 4: The Iconic Robben Island Big Bay Swim

REEDS N1 City is involved with providing consulting and mentorship for the Management Team of WLAA and would keep on pursuing the "Dream" that this Academy is striving for.

Your generosity has brought in an incredible range of items, including food, blankets, sports equipment, vouchers, clothing, essential toiletries, school stationery, furniture, gifts, goody bags, and toys.

Once again, thank you for standing behind the causes that matter - supporting all areas including our environment, youth, elderly, animals, sport, health, and safety initiatives.

Most importantly, thank you for your warm hearts and for making a positive difference in our community. Each contribution has helped meet a need and uplift a life.

With appreciation,  
Your Human Capital Team
